Dear Examiner Manoharan:

Thank you once again for the recent in person examiner interview of pending US applications, Appl. Ser No. 09/845,359. It was a pleasure to finally meet you and I look forward to working with you more in the future. Per our discussion, attached is a copy of an additional Supplemental Amendment to be entered prior to issuing another Office Action. I believe that this amendment is consistent with our discussion and hope that you find all the claims to now be in condition for allowance. If not, please call me at your earliest convenience to resolve any outstanding issues so that this application may be allowed and go to issues as soon as possible.

Sincerely,

Kevin Alan Wolff
